WORK EXPERIENCE

Ernst & Young

Toronto, Ontario

Customer Transformation Consultant Intern

May 2025 – August 2025

- Produced a process map for a target operating model implementation, helping re-map over 2000 employees in 8 departments, streamlining front office roles for a major insurance provider saving ~\$4.3 million in expenses
- Led the creation of stakeholder engagement materials across 6 workstreams synthesizing cross portfolio insights to identify new project opportunities worth ~\$200,000

Alcohol and Gaming Commission of Ontario

Toronto, Ontario

Strategic Planning and Engagement Summer Student

May 2024 - August 2024

- Presented a jurisdictional scan of governance models to senior leadership, decreasing project review cycle duration by 60%
- Designed a governance model implementation plan, aligning 96 projects with 4 strategic goals enabling a 10% reduction in unaligned initiatives
- Assisted in Key Performance Indicator (KPI) development for 96 projects allowing for in depth analysis resulting in a projected 15% reduction in average project timeframe

Maro Partners

Mississauga, Ontario

Student Analyst

October 2023 - January 2024

- Researched market entry for a portfolio company undergoing possible cross border expansion, identifying key roadblocks to a possible 3x revenue opportunity
- Analyzed market reports, and conducted interviews to synthesize key insights assisting in analysis leading to a successful acquisition

Prime Minister's Office Board of Investment

Islamabad, Pakistan

Rotational Intern

June 2022 - August 2022

- Developed pitch decks for high level investor meetings which were presented to stakeholders such as the Qatar Investment Authority assisting in the approval of a \$3 billion investment
- Supported investors in deal sourcing, helping match investors with start-ups and industrial projects in designated special economic zones contributing to an 8% increase in the rate of successful deals

LEADERSHIP & PROJECT EXPERIENCE

Ivey Energy and Resource Club

London, Ontario

Co-President

April 2024 - Present

- Developed and relaunched the mentorship program leading the recruitment and coordination of 12 mentors with industry relevant experience
- Researched and made weekly reports on M&A transactions in the energy and resource industries

Ivey Field Project

London, Ontario

Client Contact & Strategy Lead

September 2024 - Present

- Collaborated to create a fare evasion reduction strategy for the Toronto Transit Commission (TTC) helping recoup a projected \$56+ million dollars per year
- Led brainstorming sessions with TTC leadership to align fare evasion strategies with safety goals producing a hybrid safety and cost saving strategy guide
